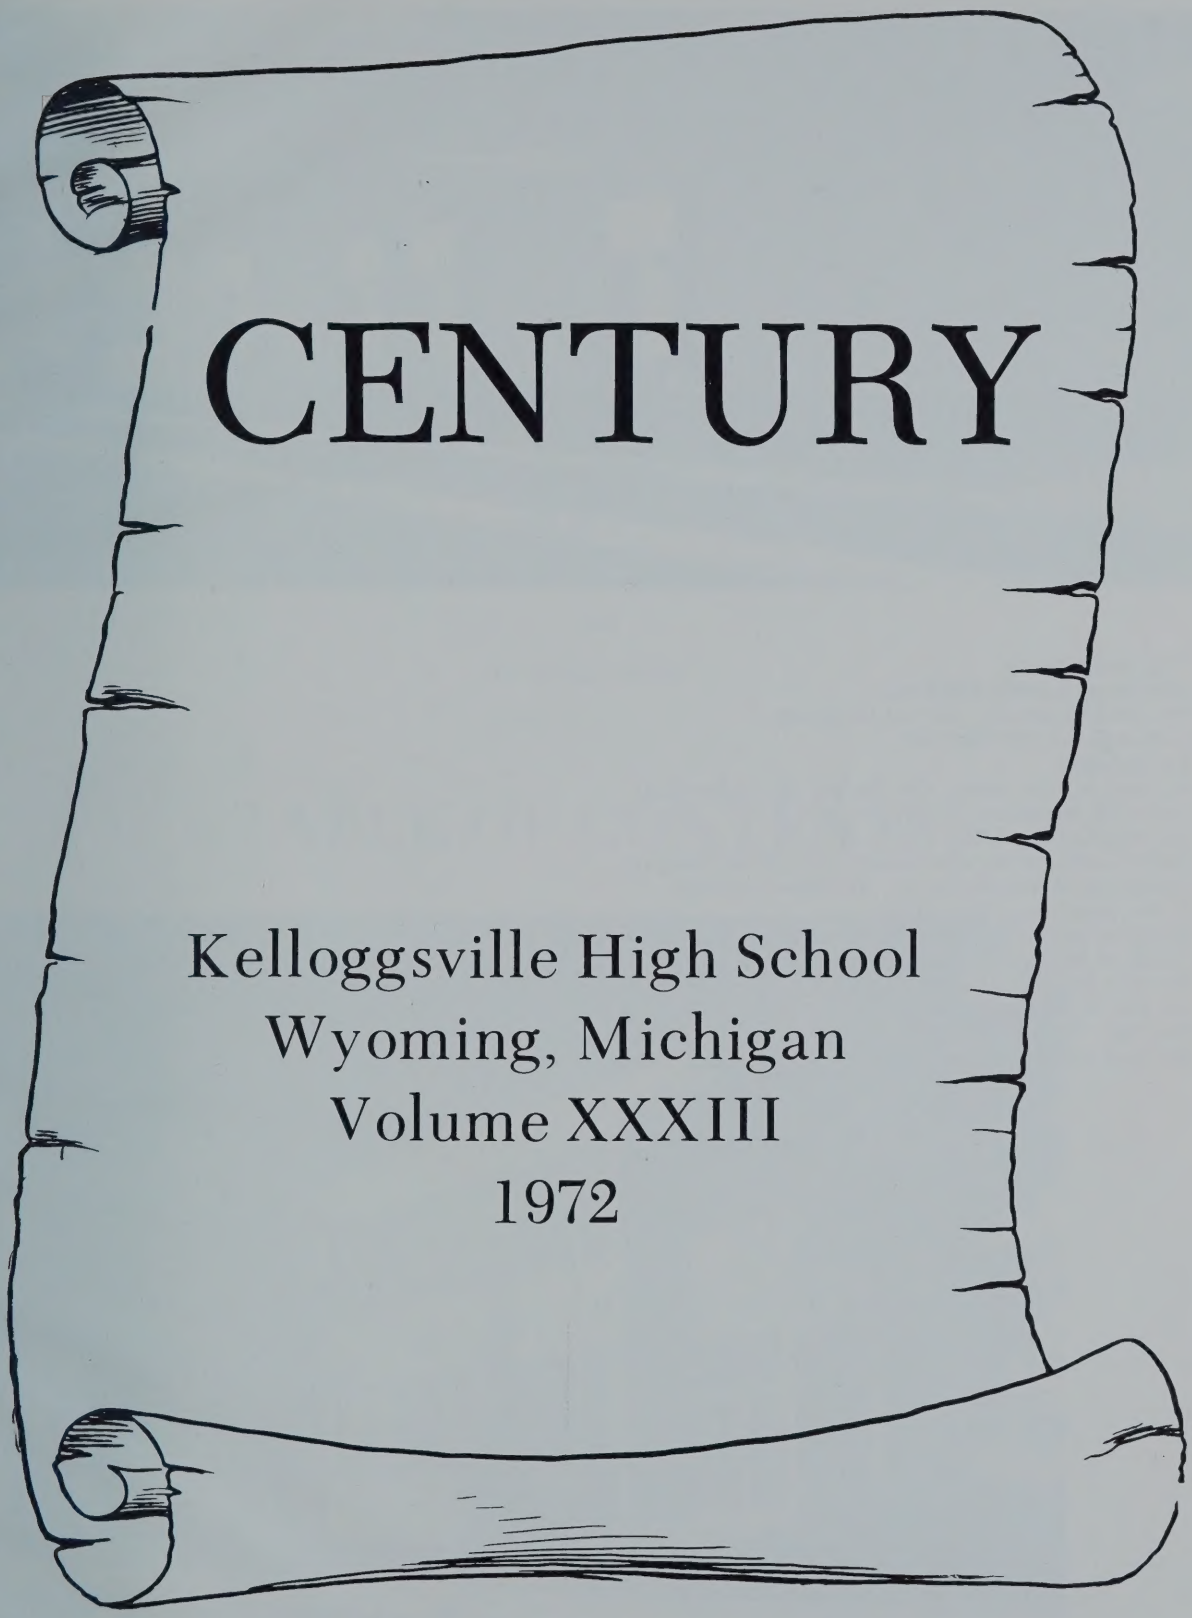
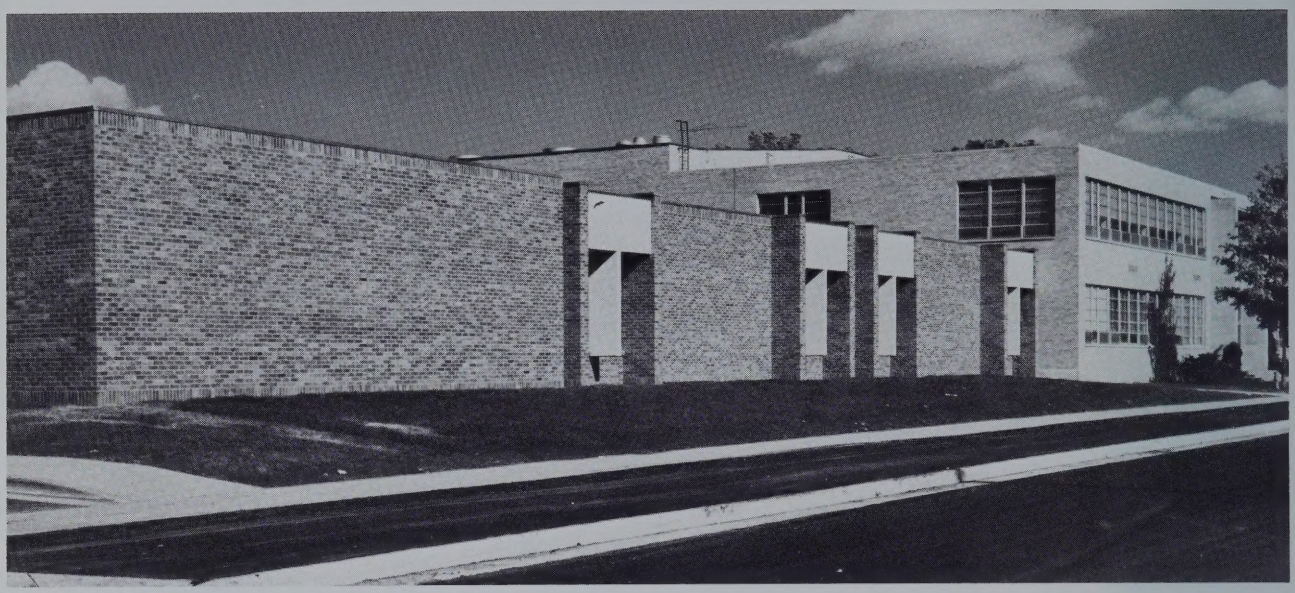
THE YEAR 1972

CENTURY



Kelloggsville High School
Wyoming, Michigan
Volume XXXIII
1972



"We dared to try
something a little different.
We tried to create, not just to report
(although we did that too).
Recapturing
the moods, the issues, the places, the happenings,
and most important of all,
the people from 1972,
hurled us headlong into hassels over printed nudity,
deadlines, available space, and cover colors.
It was sometimes frustrating,
trying to piece it together,
trying to fit a year into an ordered scheme.
But now that it's all here
we feel it was worth it.
Because, for all we know,
we may never meet again."

"As an exchange student I felt a strangeness about you at first, but then as I learned more about you, I began to feel accepted by you. I found such warmth and kindness, which made me feel at home."

"I have enjoyed my visit with all of you and wish to thank you for your hospitality. I shall miss you.

"Buena Suerte y haste la viste."

Ana Beuavente

"Something that makes me very happy is I am able now to speak and understand this great language: English, and also have more conversation with my great friends in Kelloggsville High School, the school I will never forget because teachers and students are really wonderful. "There's many men forget their proper station
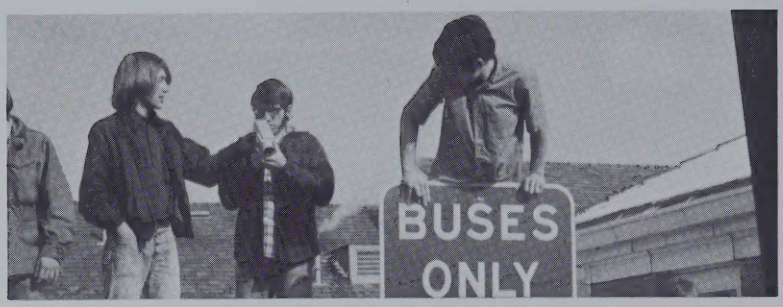
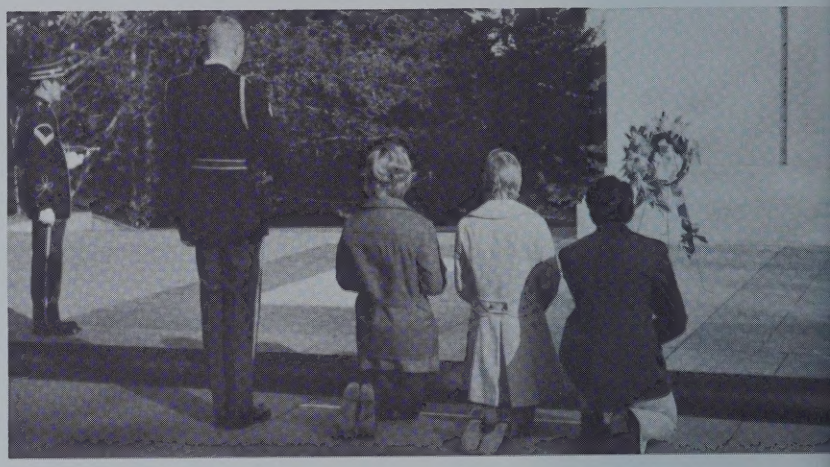
And still are meddling with the administration
Of government; that's wrong and this is right,
And such a law is out of reason quite;
Thus, spending too much thoughts on state affairs,
The business is neglected, which is theirs.
So some fond traveller gazing at the stars,
Slips in next ditch, and gets a dirty arse."

SENIOR TRIP





Ah! Washington at last! This year, the class of '72 ventured to Washington D.C. in the fall, instead of the spring. Untouched by snow or cold weather, the seniors enjoyed a fun-filled and exciting week. Along with the usual visiting of monuments and buildings, the seniors of '72 presented a wreath of flowers to the tomb of the unknown soldier, a truly new and unique privilege. On this page are a few pictures of the action and excitement which took place during that hectic week in Washington D.C. What an experience!

CLASS SONG: "FRIENDS"
by John Denver

"What a friend we have in time, Gives us children; makes us wine, Tells us what to take or leave behind. And the gifts of growing old--are the stories to be told of the feeling more precious than gold.

Friends, --I will remember you, think of you, --pray for you, and when another day is through, I'll still be friends with you.

Baby's days are never long--Mother's laugh is baby's song. Gives us all the hope to carry on and still be friends with you.

Friends, --I will remember you, think of you--pray for you, and when another day is through, I'll still be friends with you!"

MOTTO: "We're a rainbow made of children, we're an army made of friends, there is no weapon that can stop us. We'll make it to the end."

FLOWER: Yellow Rose

COLORS: Powder Blue
Navy Blue
